If these customers have already bought an e-book from you, ask for his or her opinion in terms of price. Do this by creating a sales web page for the brand new e-book, however do not embody a price on that page. As a substitute, add plenty of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another technique is to test out prices by creating a number of duplicate gross sales pages with totally different costs on each page. Ensure that your gross sales copy is exactly the same on every page, and contains your selling-handle sentence. Then figure out for every web page the conversion ratio between guests to your site and sales of your book. This will let you know what your optimum price is.

In the end, in case you've written a guide that solves a problem or presents a new approach, your e-book will bring in each traffic and profits.
