promotional materials, and each time anyone asks you about your ebook.

Besides promoting your books assiduously online, there are several other methods that may make it easier to promote more books.

One is to provide something away at no cost with your book, equivalent to a valuable bonus item. Or bundle a number of ebooks beneath one price, which lowers the value for each book if they were offered separately.

An effective method for figuring out a worth is to ship out a survey to your present customers. If these clients have already purchased an e book from you, ask for his or her opinion in terms of price. Do this by creating a sales page for the brand new e-book, however don't include a worth on that page. As a substitute, add quite a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another technique is to test out prices by making a number of duplicate gross sales pages with completely different costs on every page. Ensure your gross sales copy is strictly the identical on every web page, and includes your promoting-handle sentence. Then determine for each page the conversion ratio between guests to your web site and sales of your book. This will tell you what your optimum worth is.

Ultimately, when you've written a guide that solves a drawback or presents a new approach, your ebook will bring in both traffic and profits. So remember to write that promoting-deal with sentence that sums up what drawback your e book solves and what the advantages of your 1150 guide shall be to the shoppers who purchase it.
