Do that by creating a sales web page for the new e book, but do not embrace a worth on that page. As a substitute, add quite a lot of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other strategy is to check out prices by making a variety of duplicate gross sales pages with different prices on each page. Be certain that your sales copy is precisely the identical on each

page, and consists of your selling-handle sentence. Then work out for every web page the conversion ratio between visitors to your web site and sales of your book. This can let you know what your optimum price is.

Finally, if you happen to've written a e-book that solves a problem or presents a brand new technique, your e book will herald both site visitors and profits. So remember to write that selling-deal with sentence that sums up what downside your guide solves and what the advantages of your 1254 guide will probably be to the customers who buy it.
