An effective approach for determining a worth is to send out a survey to your current customers. If these customers have already purchased an e book from you, ask for his or her opinion in terms of

price. Do this by creating a gross sales page for the brand new e-book, however do not embody a price on that page. Instead, add quite a few hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another strategy is to test out prices by making a variety of duplicate sales pages with different costs on every page. Be sure your gross sales copy is exactly the similar on every web page, and contains your promoting-deal with sentence. Then figure out for each page the conversion ratio between guests to your website and sales of your book. This can tell you what your optimum worth is.

Finally, when you've written a ebook that solves a problem or presents a brand new method, your ebook will usher in both visitors and profits. So you'll want to write that promoting-deal with sentence that sums up what drawback your guide solves and what the benefits of your 1318 e book will likely be to the customers who purchase it. And then watch your market come to you!
