However the fact that unites ebooks and print books is that they are composed of ideas. It's the ideas in these books which have the ability to alter, or presumably remodel, individuals's lives.

What do you think an thought is worth when evaluated in opposition to the cost of paper and ink?

What ought to I cost for my concepts?

There are all different formulas and strategies for determining the proper value on your ebook. Let's start with honing in in your ultimate goals.

Resolve if your purpose is to get large distribution and most exposure. This aim is aimed toward drawing customers to your online business or service, or to establishing the credibility of your reputation. If this is your major purpose, it's best to purpose to maintain your price on the low side. Some authors have even priced their ebooks at a revenue loss to attract a high number of new customers. The secret is to discover a value that maximizes your profits and the variety of books you sell.

After you figure out your purpose, you will need to figure out what your audience's need is for your ebook. For example, does your e-book clear up a selected drawback? If it does, and solves it in a method that hasn't been written about in 100 other ebooks, you will be able to achieve excessive sales at a high price. In case your ebook solves an issue or answers questions in a new and distinctive method, you should worth your guide as excessive as you can go. You will achieve larger income this fashion, but herald fewer customers. An efficient method for figuring out a worth is to send out a survey to your present customers. If these customers have already purchased an e-book from you, ask for their opinion in terms of price. Do that by making a gross sales page for the new e-book, but do not include a value on that page. Instead, add plenty of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another technique is to test out prices by creating a variety of duplicate gross sales pages with completely different costs on every page. Be sure your gross sales copy is precisely the similar on

each page, and includes your selling-handle sentence. Then determine for each page the conversion ratio between visitors to your site and gross sales of your book. This can let you know what your optimum value is.

In the end, when you've written a ebook that solves a downside or presents a brand new approach, your ebook will herald each traffic and profits.
