Do this by making a sales web page for the new ebook, however do not include a price on that page. Instead, add a variety of hyperlinks to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

One other technique is to check out costs by making a number of duplicate sales pages with different costs on each page. Ensure your sales copy is strictly the same on every web page, and consists of

your promoting-handle sentence. Then determine for every web page the conversion ratio between guests to your site and sales of your book. This can tell you what your optimum value is.

In the end, in the event you've written a e book that solves a downside or presents a new technique, your book will herald each traffic and profits.
