Do that by making a gross sales web page for the brand new e-book, however don't include a value on that page. Instead, add a number of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

Another technique is to check out costs by making a variety of duplicate gross sales pages with totally different costs on each page. Make sure your gross sales copy is strictly the identical on

every web page, and consists of your promoting-deal with sentence. Then work out for every web page the conversion ratio between guests to your web site and gross sales of your book. This will let you know what your optimum value is.

Ultimately, if you happen to've written a guide that solves a drawback or presents a brand new method, your book will bring in each traffic and profits.
