Advertising and marketing Strategies

The key that unlocks the sales potential of your e-book is to discover a single sentence that becomes your promoting handle. Another strategy is to check out prices by creating a number of duplicate sales pages with completely different prices on every page. Ensure your sales copy is strictly the similar on every

page, and consists of your promoting-handle sentence. Then work out for every page the conversion ratio between visitors to your website and sales of your book. This will inform you what your optimum value is.
