to price. Do that by making a sales page for the new e book, however do not embody a worth on that page. Instead, add numerous hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another technique is to test out costs by creating a number of duplicate sales pages with totally different costs on each page. Be certain that your sales copy is precisely the identical on every web page, and consists of your promoting-deal with sentence. Then figure out for every page the conversion ratio between visitors to your website and sales of your book. This will let you know what your optimum value is.
