Do this by making a gross sales web page for the new guide, but do not embrace a value on that page. Instead, add numerous links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another technique is to test out prices by making a number of duplicate gross sales pages with totally different costs on every page. Ensure your sales copy is exactly the identical on each page,

and consists of your selling-handle sentence. Then determine for every web page the conversion ratio between visitors to your web site and gross sales of your book. This will let you know what your optimum value is.

In the end, in case you've written a e book that solves a downside or presents a new approach, your e-book will herald both visitors and profits.
