Another strategy is to test out prices by creating a variety of duplicate sales pages with completely different costs on every page. Be sure that your sales copy is exactly the same on every page, and consists of your selling-handle sentence. Then figure out for each page the conversion ratio between visitors to your web site and sales of your book. It will let you know what your optimum worth is.

Finally, if you've written a e-book that solves a problem or presents a new technique, your ebook will herald each visitors and profits.
