Then make sure to use that sentence in every piece of sales and promotional materials, and every time anyone asks you about your ebook.

Besides selling your books assiduously online, there are a number of different methods that can show you how to sell extra books.

One is to present one thing away without spending a dime along with your book, such as a helpful bonus item. Or bundle a number of ebooks beneath one price, which lowers the worth for each e-book in the event that they were sold separately.

An efficient approach for determining a worth is to send out a survey to your present customers. If these prospects have already bought an ebook from you, ask for their opinion when it comes to price. Do this by making a gross sales web page for the brand new e-book, however don't embrace a value on that page. As a substitute, add numerous hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other technique is to test out prices by making a number of duplicate gross sales pages with different costs on each page. Be sure your sales copy is strictly the identical on each web page,

and consists of your selling-handle sentence. Then figure out for each web page the conversion ratio between guests to your website and sales of your book. This can tell you what your optimum price is.

In the end, in the event you've written a e-book that solves a problem or presents a new technique, your book will bring in each visitors and profits. So you'll want to write that promoting-handle sentence that sums up what problem your book solves and what the benefits of your 1653 e book will probably be to the purchasers who purchase it.
