Do that by making a gross sales page for the brand new e book, but don't include a worth on that page. As a substitute, add quite a few links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another strategy is to check out costs by making a variety of duplicate sales pages with different prices on every page. Make certain your gross sales copy is precisely the similar on each page, and contains your promoting-handle sentence. Then determine for each page the conversion ratio between guests to your site and gross sales of your book. This will tell you what your optimum price is.

Finally, should you've written a book that solves a downside or presents a brand new method, your ebook will herald both site visitors and profits. So you'll want to write that promoting-handle sentence that sums up what downside your e-book solves and what the benefits of your 1684 book might be to the purchasers who buy it.
