As an alternative, add quite a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other strategy is to test out prices by making a number of duplicate gross sales pages with

totally different prices on each page. Be sure that your sales copy is precisely the same on every page, and consists of your promoting-deal with sentence. Then determine for every page the conversion ratio between visitors to your web site and sales of your book. This can tell you what your optimum worth is.

In the end, in case you've written a e-book that solves a downside or presents a new technique, your ebook will usher in both site visitors and profits.
