Understand that the above pricing strategy is temporary. Finally, you will cease to promote books at this high price. So determine prematurely how long you plan to offer your e book at this excessive worth, and when that time is up, change your pricing strategy.

If you want to see large income over buyer draw, goal for an audience that's on the lookout for straightforward solutions to their issues at a low price. If your e-book is geared toward solving one explicit drawback slightly than general recommendation, then you'll be able to cost more. Begin on the highest price the market will bear to usher in the largest profits, and plan to low cost the book a variety of occasions throughout the year.

## Advertising Strategies

The key that unlocks the sales potential of your e book is to find a single sentence that turns into your promoting handle.
