An effective technique for determining a price is to ship out a survey to your current customers. If these customers have already purchased an e book from you, ask for his or her opinion by way of price. Do this by creating a gross sales page for the new ebook, but don't embody a value on that page. As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other technique is to test out costs by making a variety of duplicate gross sales pages with totally different prices on each page. Be certain that your sales copy is exactly the similar on

every page, and consists of your selling-deal with sentence. Then work out for each page the conversion ratio between visitors to your site and gross sales of your book. This can let you know what your optimum price is.

Finally, in the event you've written a e-book that solves a drawback or presents a new approach, your guide will bring in each site visitors and profits.
