Do this by creating a sales page for the new ebook, but do not include a price on that page. As a substitute, add quite a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other strategy is to check out prices by making a variety of duplicate gross sales pages with totally different costs on every page. Be sure your gross sales copy is exactly the similar on every page, and consists of your selling-deal with sentence. Then figure out for each web page the conversion ratio between guests to your web site and sales of your book. It will inform you what your optimum value is.

Ultimately, when you've written a ebook that solves a problem or presents a brand new technique, your book will usher in each traffic and profits.
