An effective approach for figuring out a value is to ship out a survey to your current customers. If these prospects have already purchased an ebook from you, ask for his or her opinion by way of price. Do this by creating a sales web page for the new guide, however don't embrace a worth on that page. As an alternative, add a lot of hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another strategy is to test out prices by making a variety of duplicate sales pages with completely different prices on every page. Be sure your gross sales copy is precisely the similar on each page,

and contains your promoting-handle sentence. Then determine for each page the conversion ratio between visitors to your site and sales of your book. This can inform you what your optimum value is.

Ultimately, if you've written a book that solves a drawback or presents a brand new technique, your ebook will bring in each traffic and profits.
