Another technique is to check out prices by making a number of duplicate gross sales pages with different prices on every page. Be sure that your gross sales copy is precisely the identical on every page, and includes your promoting-handle sentence. Then determine for each page the conversion ratio between guests to your website and gross sales of your book. This can let you know what your optimum worth is.

Finally, for those who've written a book that solves a downside or presents a brand new approach, your e book will herald each traffic and profits.
