Instead, add various hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to check out prices by making a variety of duplicate sales pages with completely different costs on each page. Make sure that your gross sales copy is exactly the

identical on every page, and includes your promoting-deal with sentence. Then figure out for each web page the conversion ratio between guests to your site and sales of your book. This may let you know what your optimum worth is.

Finally, if you happen to've written a guide that solves a downside or presents a new method, your ebook will usher in both site visitors and profits.
