Do this by creating a sales page for the brand new book, but don't embody a value on that page. Instead, add quite a few hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other strategy is to check out costs by making a number of duplicate gross sales pages with

totally different prices on every page. Make certain your gross sales copy is precisely the similar on each page, and includes your selling-deal with sentence. Then figure out for each page the conversion ratio between visitors to your website and gross sales of your book. It will let you know what your optimum price is.

Ultimately, for those who've written a guide that solves a problem or presents a new approach, your guide will bring in both site visitors and profits.
