Another technique is to test out costs by creating a variety of duplicate gross sales pages with different prices on every page. Be sure that your sales copy is exactly the identical on each web page, and includes your promoting-deal with sentence. Then figure out for each web page the conversion ratio between guests to your web site and gross sales of your book. This can inform you what your optimum value is.

Ultimately, if you've written a e book that solves a downside or presents a brand new method, your e-book will bring in both site visitors and profits.
