Begin on the highest price the market will bear to herald the largest income, and plan to low cost the e-book a variety of occasions throughout the year.

If these prospects have already purchased an ebook from you, ask for his or her opinion by way of price. Do this by making a sales page for the brand new ebook, however do not embody a price on that page. Instead, add various links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another strategy is to check out costs by creating a number of duplicate sales pages with totally different costs on every page. Make certain your sales copy is strictly the same on each web page,

and includes your promoting-deal with sentence. Then determine for every page the conversion ratio between visitors to your site and sales of your book. It will inform you what your optimum value is.

In the end, when you've written a book that solves a drawback or presents a new approach, your ebook will bring in both traffic and profits.
