Another technique is to test out prices by creating a variety of duplicate sales pages with totally different prices on every page. Be certain your gross sales copy is strictly the same on every web page, and contains your promoting-handle sentence. Then determine for each page the conversion ratio between guests to your web site and sales of your book. This can tell you what your optimum value is.

Finally, when you've written a guide that solves a problem or presents a new technique, your e-book will usher in each site visitors and profits.
