An effective approach for figuring out a value is to send out a survey to your present customers. If these customers have already purchased an e book from you, ask for his or her opinion in terms of price. Do that by making a gross sales page for the brand new e book, but don't embody a price on that page. As a substitute, add a number of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to test out prices by making a variety of duplicate gross sales pages with completely different prices on each page. Be sure that your sales copy is exactly the same on every

page, and consists of your selling-handle sentence. Then work out for each web page the conversion ratio between visitors to your site and sales of your book. It will inform you what your optimum worth is.

In the end, if you've written a book that solves a drawback or presents a new approach, your e-book will bring in each traffic and profits. So make sure you write that promoting-deal with sentence that sums up what problem your e-book solves and what the benefits of your 370 guide might be to the purchasers who purchase it.
