Instead, add a variety of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other strategy is to test out prices by creating a variety of duplicate gross sales pages with completely different costs on every page. Be sure your gross sales copy is precisely the similar on each page, and includes your promoting-handle sentence. Then figure out for each page the conversion ratio between guests to your site and sales of your book. It will let you know what your optimum price is.

Ultimately, in case you've written a e book that solves a downside or presents a brand new technique, your guide will herald each traffic and profits.
