Another technique is to check out prices by making a number of duplicate sales pages with totally different prices on every page. Be certain that your gross sales copy is exactly the same on each

page, and includes your promoting-handle sentence. Then determine for each web page the conversion ratio between guests to your site and gross sales of your book. This may inform you what your optimum worth is.

Ultimately, should you've written a ebook that solves a drawback or presents a brand new method, your book will herald both visitors and profits. So remember to write that promoting-deal with sentence that sums up what drawback your guide solves and what the advantages of your 448 e book will probably be to the customers who buy it.
