Do this by making a sales page for the new e-book, however do not embrace a value on that page. As a substitute, add quite a lot of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another technique is to test out prices by creating a number of duplicate sales pages with totally different costs on every page. Make sure your gross sales copy is strictly the similar on each page,

and contains your promoting-deal with sentence. Then work out for each web page the conversion ratio between visitors to your site and gross sales of your book. This may tell you what your optimum value is.

In the end, if you've written a ebook that solves a problem or presents a brand new approach, your e-book will usher in each traffic and profits.
