Do this by making a gross sales web page for the brand new e-book, however do not embrace a value on that page. As an alternative, add quite a few links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to test out costs by creating a variety of duplicate gross sales pages with different prices on each page. Be sure that your gross sales copy is exactly the similar on every

web page, and includes your promoting-handle sentence. Then determine for every web page the conversion ratio between visitors to your site and gross sales of your book. It will inform you what your optimum value is.

Ultimately, if you happen to've written a ebook that solves a problem or presents a new method, your e book will usher in both traffic and profits. So make sure to write that selling-deal with sentence that sums up what downside your e book solves and what the benefits of your e book might be to the customers who buy it.
