includes your promoting-deal with sentence. Then figure out for each web page the conversion ratio between visitors to your website and gross sales of your book. This can let you know what your optimum price is.

Finally, when you've written a book that solves a problem or presents a new approach, your ebook will herald both site visitors and profits. So be sure you write that promoting-deal with sentence that sums up what problem your book solves and what the advantages of your book can be to the purchasers who buy it.
