The key that unlocks the gross sales potential of your e-book is to discover a single sentence that turns into your selling handle. This sentence states what query or problem your e-book solutions and

the advantages your ebook can provide. Then be sure to use that sentence in each piece of gross sales and promotional material, and every time anyone asks you about your ebook.

One is to provide something away without cost along with your ebook, akin to a helpful bonus item. Or bundle a number of ebooks beneath one worth, which lowers the value for each book if they have been sold separately.

An effective method for determining a value is to send out a survey to your present customers. If these customers have already purchased an book from you, ask for his or her opinion in terms of price. Do that by making a sales page for the brand new e-book, but do not include a value on that page. Instead, add a lot of links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to test out costs by creating a variety of duplicate gross sales pages with totally different prices on each page. Make sure that your sales copy is precisely the same on every page, and includes your selling-handle sentence. Then work out for each web page the conversion ratio between guests to your website and gross sales of your book. This can inform you what your optimum price is.

In the end, when you've written a book that solves a drawback or presents a new approach, your ebook will bring in both traffic and profits.
