Do that by making a sales page for the brand new book, however don't include a price on that page. As a substitute, add numerous links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

Another technique is to check out prices by making a number of duplicate gross sales pages with different costs on every page. Be sure that your gross sales copy is strictly the same on every web

page, and consists of your selling-deal with sentence. Then work out for each web page the conversion ratio between guests to your web site and gross sales of your book. This will let you know what your optimum worth is.
