As an alternative, add a number of hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another strategy is to test out prices by creating a number of duplicate sales pages with completely different prices on each page. Ensure that your sales copy is exactly the similar on each web page,

and includes your selling-deal with sentence. Then figure out for each web page the conversion ratio between guests to your web site and sales of your book. This may let you know what your optimum value is.

Finally, if you've written a book that solves a problem or presents a brand new technique, your book will herald both site visitors and profits. So you should definitely write that selling-deal with sentence that sums up what problem your guide solves and what the benefits of your 727 book can be to the shoppers who purchase it.
