Instead, add a variety of links to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other strategy is to check out costs by making a variety of duplicate sales pages with different costs on each page. Be sure that your sales copy is precisely the identical on each page, and consists of your selling-handle sentence. Then determine for every page the conversion ratio between visitors to your site and gross sales of your book. This may let you know what your optimum value is.
