Do this by creating a sales web page for the brand new e-book, however don't include a price on that page. As an alternative, add plenty of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to test out prices by making a number of duplicate sales pages with totally different costs on every page. Ensure your sales copy is strictly the similar on each web page, and

includes your selling-handle sentence. Then figure out for every web page the conversion ratio between guests to your website and sales of your book. This can tell you what your optimum worth is.

In the end, when you've written a guide that solves a downside or presents a new technique, your guide will bring in both traffic and profits.
