If these clients have already bought an e-book from you, ask for his or her opinion in terms of price. Do that by making a gross sales web page for the brand new e-book, however don't embody a value on that page. As an alternative, add quite a lot of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another strategy is to check out prices by creating a number of duplicate gross sales pages with

completely different costs on every page. Make sure that your sales copy is strictly the identical on every web page, and consists of your promoting-handle sentence. Then determine for every page the conversion ratio between guests to your site and gross sales of your book. This may tell you what your optimum value is.

Ultimately, when you've written a e-book that solves a drawback or presents a new method, your e-book will bring in each visitors and profits.
