If these prospects have already bought an e-book from you, ask for his or her opinion when it comes to price. Do that by creating a sales page for the brand new e-book, but don't embody a worth on that page. As an alternative, add numerous hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other technique is to test out costs by making a number of duplicate gross sales pages with completely different prices on every page. Be certain that your sales copy is strictly the similar on every web page, and contains your selling-handle sentence. Then determine for every page the conversion ratio between visitors to your web site and sales of your book. It will let you know what your optimum worth is.

In the end, if you happen to've written a e-book that solves a drawback or presents a brand new method, your e book will usher in each traffic and profits.
