An efficient technique for figuring out a worth is to ship out a survey to your present customers. If these clients have already purchased an e book from you, ask for his or her opinion in terms of

price. Do that by creating a sales web page for the brand new book, but don't embrace a price on that page. Instead, add various hyperlinks to survey questions that ask pointed questions to help you in assigning a price to your ebook.

One other strategy is to check out costs by creating a number of duplicate sales pages with different costs on each page. Be sure your gross sales copy is strictly the same on every page, and includes your promoting-deal with sentence. Then determine for every page the conversion ratio between guests to your website and sales of your book. This may inform you what your optimum value is.
